Summary of reasons for classification:

The computer moving image file entitled *FP_Eline_WC_06.mpg* is classified as: Objectionable.

The publication is a short video clip explicitly depicting the use of urine in association with sexual conduct in a manner that promotes and supports this activity, and is therefore deemed objectionable under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act).

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications that fall under s3(2) of the FVPC Act are deemed objectionable.
